AMENDMENT 1:

THE FOLLOWING SECTION (7iii) IS TO BE REMOVED:

iii. The Association shall not:

(a) Appoint a person who is a member of the Board to any office of the Association to the holder of which there is payable any remuneration by way of salary, fees or allowances; or,

(b) Pay to any such person any remuneration or other benefit in money or monies worth (other than the re-payment of out-of-pocket expenses);

END SECTION TO BE REMOVED

WHY THIS CHANGE? As an organisation, we are starting to reach the point where professional people with serious skills are interested in being part of the organisation. We’re also at a point where attracting these kinds of directors is strategically very important. Having the option of some kind of remuneration for specific board members gives us the opportunity to attract members who are in demand by a range of organisations such as ours, and also makes it possible for them to devote the appropriate amount of time to developing CMS. In many cases, the cost of any remuneration for Board Members such as these is far outweighed by the value they bring to the school. Importantly, this does NOT mean we WILL start paying Board Members by default. It simply means we have the option to pay specific Board Members if the situation warrants it, whereas the current constitution specifically forbids it. Also, it’s important to note in the changes below that the only way any payment can be made to a Board member is if it has been proposed to the community and voted for at either an annual or special general meeting.
THE FOLLOWING SECTION (7iii) IS TO BE INSERTED:

iii. The Association may provide remuneration by way of salary, fees or allowances to Board members. The sum of any salary, fee or allowance provided to a Board member must be passed by resolution at the annual general meeting or at a special general meeting.

END SECTION TO BE INSERTED

iv. Nothing in the foregoing provisions of this rule prevents the payment in good faith to a servant or member of the Association of:

(a) Remuneration in return for services actually rendered to the Association by the servant or member or for goods supplied to the Association by the servant or member in the ordinary course of business; or,

(b) Interest at current bank overdraft rate on money lent; or,

(c) A reasonable and proper sum by way of rent for premises let to the Association by the servant or member.

8. ACCOUNTS OF RECEIPTS AND EXPENDITURE

i. True accounts shall be kept:

(a) Of all sums of money received and expended by the Association and the manner in respect of which the receipt or expenditure takes place; and,

(b) Of the property, credits and liabilities of the Association;

ii. The Board shall direct a suitably qualified person or persons to faithfully maintain all general records, accounting books and records of receipts and expenditure connected with the operations and business of the Association in such form and manner as the Board may direct.

iii. Subject to the Act, the Regulations and these rules, the Public Officer shall keep in his or her custody or under his or her control all records, books and other documents relating to the Association, and referred to in sub-rules (i) and (ii) of this rule;

iv. Except with the authority of the Board, no withdrawal or transfer of a sum exceeding two dollars shall be made from the funds of the Association otherwise than by cheque drawn on a bank account of the Association or by electronic transfer from a bank account of the Association, but the Board may provide such person or persons as the Board may direct with a sum to meet urgent expenditure, subject to the observance of such conditions in relation to the use and expenditure thereof as the Board may impose.

If an appointment is not made at an annual general meeting, the Board shall appoint an auditor of the Association for the then current financial year of the Association;

iv. If a casual vacancy occurs in the office of auditor during the course of a financial year of the Association, the Board may appoint a person as the auditor and the person so appointed shall hold office until the next succeeding annual general meeting.

iv. If at the adjourned meeting a quorum is not present within 30 minutes after the time appointed for the start of the meeting, the members present (being not less than 3) constitute a quorum.

14. GENERAL MEETING: VOTING

   (a) On any question, have a second or casting vote;

   (b) Direct the way in which any poll required by i. above is taken.

(b) The Board determines that the resolution contravenes any provision of this constitution.

16. GENERAL MEETING: PRESIDING OFFICER
   i. A general meeting shall be presided over by the Chair or, if he/she is absent, by a member appointed by the members present at the meeting to be the chair of the meeting.

17. GENERAL MEETING: ANNUAL
   i. An annual general meeting of the Association shall be held once in each year and not later than the thirty-first day of March in any year;
   
   ii. The ordinary business of the annual general meeting shall be:

AMENDMENT 2:

THE FOLLOWING SECTION (7iv) IS TO BE REMOVED:

vi. If the number of nominations received is equal to the number of vacancies to be filled, the people nominated are taken to be elected;

vii. If the number of nominations received exceed the number of vacancies to be filled, a ballot must be held;

viii. The ballot for the election of the board must be conducted at the annual general meeting in any way that the Chair may direct

END SECTION TO BE REMOVED

WHY THIS CHANGE? The intention of this change is to strengthen the makeup of the Board. As the constitution stands, in the case of not enough nominations being received to fill the 12 positions, anybody who has nominated automatically gets elected, regardless of whether anybody actually wants them on the Board or not. This means that it is possible for somebody with no general support from the community to become a Board member. The following changes will mean that an individual may only become a Board member with the support of those members present at the AGM (or whom have provided proxies accordingly). Changing the lead time for nominations from no formal timeframe to two weeks means that the community has a greater chance to learn who has nominated and make an informed choice.

THE FOLLOWING SECTION (7iv) IS TO BE INSERTED:

iv. A nomination for election to the Board shall not be accepted unless it is delivered to the Chair of the Board two weeks prior to the commencement of the annual general meeting.

v. In the event that the Chair of the Board does not receive enough nominations for all of the available positions on the Board in accordance with section 17A iv above, nominations may be received from the floor of the annual general meeting.

vi. Any person nominated in accordance with 17A v above shall be subject to the operation of section 17A vii below.
vii. Each nomination for election of Board member must be passed by resolution by Association members voting yay or nay.*

viii. Board member positions can remain vacant positions and nominations are subject to the voting requirements set out in section 17A vii.

ix. If there are no successful nominations, the Board may, at its discretion, call for a second round of voting at the annual general meeting.

x. If a second round of voting is called, the Board may either approve a nominee that does not meet the requirements of section 17A vii, or keep the position vacant in accordance with section 17A viii.

*successful nominations require that the nominated person receives 50% of the ‘yay’ vote plus one additional vote.

18. GENERAL MEETING: SPECIAL

i. Where not less than ten members of the Association by notice in writing delivered to the Chair request the Board to convene a special general meeting of the Association for the purpose of determining the matter or matters specified in the notice, the Board shall fix a time and a place on a date, being a date not later than twenty-one days and not earlier than ten days after the date on which the notice is delivered to the Chair, for the holding of a special general meeting of the Association;

ii. The Board may convene a special general meeting of the Association for the purpose of determining any matter that, in the opinion of the Board, should be considered by a special general meeting or for the purpose of considering any proposed amendment of this constitution.

iii. At a special general meeting, the matter or matters in respect of which the meeting has been convened, and no other matter shall be considered;

iv. This constitution may be amended at a special general meeting of the Association by motion, of which notice has been given in the notice of the meeting, passed by a two-thirds majority.

19. GENERAL MEETING: ADJOURNMENT

i. The Chairman of a general meeting at which a quorum is present may, with the consent of the meeting, adjourn the meeting from time to time and place to place, but no business shall be transacted at an adjourned meeting other than the business left unfinished at the meeting at which the adjournment took place;
ii. Where a meeting is adjourned for fourteen days or more, the like notice of the adjourned meeting shall be given as in the case of the original meeting.

20. ANNUAL REPORT

The Board shall prepare an annual report for presentation to the annual general meeting.

21. THE BOARD

i. The management of the Association shall be vested in the Board which shall consist of twelve positions each with a two year term of office except in the Board’s first year of operation where four positions shall have a one year term of office.

ii. (a) Board members to fill each of the vacant Board positions shall be elected by the members of the Association at each annual general meeting.

(c) Notwithstanding 21(i) the term of office for any Board position shall expire and the position fall vacant immediately preceding the annual general meeting nearest in time to the end of that term;

AMENDMENT 3:

THE FOLLOWING SECTION (21iii) IS TO BE REMOVED:

iii. Within two weeks of the annual general meeting, or within two weeks of the office of the chair becoming vacant, the Board shall meet and elect the Board Chair from amongst its members. The Board Chair shall act as the:
   a. Chair of the Association as required; and
   b. The Public Officer for the Association as defined under the Act

END SECTION TO BE REMOVED

WHY THIS CHANGE? This is a small piece of housekeeping that will tidy procedures up. At the moment, if the current Chair is NOT up for re-election, we still have to meet within 2 weeks regardless to hold elections for the position of Chair and Deputy Chair. With the changes below, we will have a little more flexibility. For clarification, please note in the amendments below that a ‘general meeting’ is simply a Board meeting.

THE FOLLOWING SECTION (21iii) IS TO BE INSERTED:

iii. Offices of Chair and Deputy Chair will be determined by resolution passed at the first general meeting after the annual general meeting. The Board Chair shall act as the:
   a. Chair of the Association as required; and
   b. The Public Officer for the Association as defined under the Act

iv. If during the term of office, the office of Chair becomes vacant, the Board shall call for a general meeting within 2 weeks of the vacancy, and by resolution, appoint a new chair from amongst the members.

END SECTION TO BE INSERTED
v. The Board may co-opt an Association member to fill any vacant Board position unless the vacancy arises within the month prior to the annual general meeting. Such co-opted Board member shall retain his/her position until the expiration of that position’s term of office.

vi. Meetings of the Board shall be chaired by the Chair, or if the Chair is absent, by a member of the Board appointed by the members of the Board present at the meeting to be chair of the meeting.

**AMENDMENT 4:**

**THE FOLLOWING SECTION (21vii) IS TO BE REMOVED:**

vii. At a meeting of the Board, a quorum shall be constituted by a number greater than 50% of the current Board membership.

**END SECTION TO BE REMOVED**

**WHY THIS CHANGE?** This change simply reduces our quorum requirements slightly. If we have 12 members on the Board, current rules state we must have greater than 50% (50% of 12 is 6, so we must have 7 members for quorum). With the proposed change to at least 50%, only 6 members would be required for quorum. One may seem like a small number, but particularly over holiday periods, it can be challenging to hold Board meetings with a full quorum. This is made more difficult if, for any reason, we are below the full complement of Board members. If we are forced to postpone a meeting, it can be challenging coordinating the schedules of up to a dozen volunteers plus the Principal. This slight change can make all the difference to being able to hold a meeting vs. postponing it.

**THE FOLLOWING SECTION (21v) IS TO BE INSERTED:**

vii. At a meeting of the Board, a quorum shall be constituted by a number at least 50% of the current Board membership.

**END SECTION TO BE INSERTED**

viii. A question arising at a meeting of the Board shall be determined by a simple majority or a show of hands.

ix. The Chair of a meeting of the Board shall, on any question, have a casting vote only.

x. A member co-opted to the Board is entitled to the same rights and responsibilities as an elected Board member.

xi. The Board shall manage the affairs of the Association taking due notice of any directions of the Association expressed at general meetings.
xii. The Chair shall cause a meeting of the Board to be convened whenever it is necessary for the proper and efficient management of the Association for a meeting of the Board to be held.

xiii. Except for the purposes of 21(iii) Board members shall be given not less than seven days notice of any Board meeting.

22. SUB-COMMITTEES
   i. The Board may appoint sub-committees for such purposes as the Board may determine and may delegate such of its powers to such sub-Boards as it sees fit;
   ii. Sub-committees shall report to the Board at such times as the Board may direct.

23. VACATION OF OFFICE
   i. For the purpose of these rules, a vacancy in the office of a member of the Board occurs if the member:
      (a) Dies;
      (b) Suffers from mental or physical incapacity;
      (c) Resigns his/her office by writing under this hand addressed to the Board;
