For programs that are eligible for CCS:

Child Care Subsidy will be paid directly to the service. To access CCS, you must-

- Step 1. Sign in to your [myGov](#) account. If you don't have one, you will need to [create a myGov account](#).
- Step 2. Link myGov to Centrelink. You can do this under Services.
- Step 3. Select Centrelink and complete the Child Care Subsidy Assessment.

Once you have received your Child Care Subsidy assessment letter from Centrelink, you will need to provide us with your and your child's CRN details so we're able to make a connection to Centrelink to ensure you can receive CCS payments. It is important that we receive both CRNs as a connection can't be made using only one.

Once a connection to Centrelink is made, you will receive notification to approve the enrolment with CMS. Instructions on how to do this can be found: <https://www.humanservices.gov.au/individuals/onlinehelp/centrelink/confirm-your-childs-enrolment-details-child-care-subsidy>
