If you do not have one, you will need to create a myGov account.</p> <p>2. Link myGov to Centrelink. You can do this under Services in myGov. 3. Select Centrelink and complete the Childcare Subsidy Assessment.</p> <p>Once you have received your CCS assessment letter from Centrelink, you will need to provide the School with your and your child's CRN details, to enable the School to apply CCS payment from Centrelink to your fee account. It is important that the School receives both CRNs to achieve this connection with Centrelink.</p> <p>Once a connection with Centrelink is made, you will receive notification to approve the enrolment with CMS. Instructions on how to do this can be found at Services Australia.</p>
