Class Director

Your child's teacher is the one who knows your child best within the school and will be able to address any concerns you might have regarding your child's progress and developmental needs. It's best to make an appointment rather than trying to catch them at drop off or pick up.

Parent Handbook

Try referring to your copy of the Parent Handbook first. It is a valuable resource and may answer some of the questions you have. If you need another copy, please ask at the Office.

Our Admin staff are available to help with any administrative enquiry you may have.
